Awareness Programme on Prevention of HIV/AIDS was organized by National Service Scheme (NSS) Unit, International Institute of Businesses Studies (IIBS), all supported by NSS held on 1st December 2022 at the College Seminar Hall.

The Doctors delivered a lecture among the students and made them aware on HIV/AIDS issues and also shared the concept of RRC, its objectives and strengthening of RRC unit through a power-point presentation & Life Skill promotion and also has shown some jingles and photographs. After the lecture of AD (YA), students took part in an interaction & cleared their misconception eg. 'mosquito bite cannot spread HIV', 'close kiss cannot spread HIV', 'sharing cloths cannot spread HIV' etc. The queries were answered by the speaker.

It was a great awareness session organised by NSS we are thankful for providing this opportunity to us.

Regards

AIDS

AWARENESS PROGRAM

HIV and AIDS: What's the difference?

HIV

- HIV is the virus that causes HIV infection.
- HIV damages the immune system by killing CD4 cells.

CD4 Cells

- CD4 cells are part of the immune system.
- HIV attacks and kills CD4 cells.
- Loss of CD4 cells makes it hard for the body to fight off infections.

Years without HIV medicines

2 4 6 8 10

AIDS

- AIDS is the last stage of HIV infection.
- As HIV infection advances to AIDS, the amount of HIV in the body increases and the number of CD4 cells decreases.
- HIV medicines can stop HIV infection from advancing to AIDS.
- Without HIV medicines, HIV advances to AIDS in about 10 years.

Plantation Drive

Date: 10th December 2021

NSS volunteers have taken initiation to plant tree around IIBS College with great enthusiasm. The program officer, Dr. Basavaraju who have taken steps to bring plants with the help of IIBS Management and at the same time, the principal Dr. T. Jaggaiah also helped a lot. Even teaching and non-teaching staff also participated in this plantation program. Around 35 plants were planted around the college and also in the either sides of the public road also. The types of the plants were people tree, neem trees and Onge tree, Silver tree and so on.

From this plantation drive students learnt many things like how to plant and how to take care of the plants after planting, how to nurse them and so on. The principal spoke to the students after the plantation got over and intimated that it is the students responsibility of the students to nurse the plants everyday till they become independent.
