**Subject : Letter of Appreciation**

The National Service scheme (NSS) Unit of IIBS College (International Institute of Business Studies) has taken initiation in organizing AIDS-Awareness program on account of 'World AIDS DAY' in association with Primary health center-Chikkajala.

The students were very cooperative and the staff devoted their fruitful and effective time in making the program successful and creating awareness of AIDS among all. The Management of IIBS, Principal Sir and NSS Program Officer, who have supported us to conduct the program. We hope to have some more health related awareness programs in your college in association with Karnataka Health Department in your institution. Thank you once again for your great support.

Warm Regards,
