2 Intellectual Property

- Easylib software is intellectual property of Easylib Software Private Limited. The software can be used only at the specified college or organization. Usage at a non specified place requires additional licenses to be purchased.
- Easylib Software license pricing is derived based on number of library staff, college staff, number of books, number of students, number of digital material etc. as specified in the quotation. Any overage must be informed up front and additional license needs to be procured. Backdated charges shall be applied if breach is found later.
- The client agrees to not take up any activity that compromises with confidentiality and intellectual property of Easylib software and additional material supplied.

3 Software Features, Functionality and Usage

- The software is being supplied in the current condition as a product. Bugs in the software are fixed free of cost.
- Any software changes requested shall be reviewed on a case by case basis on how it will fit the Easylib product roadmap, impact to the existing functionality, impact to the already scheduled changes, any applicable charges and expected delivery date. All enhancements requested are out of scope for this proposal.
- Easylib responsibility is to provide relatively robust software, maintain the installation and provide assistance in smooth running of the software. It is expected that library staff understands the functionality while using the software.
- It is sole responsibility of the college staff to ensure necessary access rights are monitored. Sharing of credentials between staff is strictly discouraged.
- Limitation of liability on any cases of bugs or issues in the software or service is limited to the purchase price or subscription fee of the software for the year. Whereas Easylib follows good practices and takes necessary precaution to keep the server always on and adequately safeguard it, Easylib shall not be held responsible for consequences of inability to use the software in case of any downtime that may occur due to things that may or may not be under Easylib control or Acts of God.

4 Cloud Version and New Features

- The software server sizing is based on volumes provided and up to 25% increase in the size. When the volumes increase, college needs to inform up front so that adequate provisioning of the server is done. Additional pricing may apply.
- In Easylib 6.4a Cloud, by default, concurrent login of students is designed for 1/20th of the students count at a time up to a maximum of 50 concurrent logins. In case the volume is expected to be high during certain time, client needs to inform Easylib up front at least one week in advance.
- Easylib has scheduled daily evening data backups and they are maintained in different cities. In case of any server crash, data shall be available as of last backup. Client may also request a copy of the data be copied to their local servers on as needed basis.

5 Customer Service

- Service is provided based on tickets raised in the order of the tickets raised across the shared resources. Usually every ticket is responded within 24 hours and resolved within 5 days. During the heavy load times, response and resolution may get delayed.
- Service phone numbers are +91-98440-81710 and +91-98443-49606. In case of emergency, these numbers may be called if there is a delay in calling back after the ticket is opened. However repeat continuous calling without opening a ticket or continuously calling of personal numbers of support staff is highly discouraged.
- In most cases, client tickets must be opened as Production Issues only. Other types of tickets are for Easylib internal use.
- Access to the ticketing system is provisioned within Easylib software itself. Help must be sought if there is a difficulty in opening a ticket. Always a ticket must be created when service is needed, even when you report a request verbally or by email.
- Service calls may be recorded for training and evaluation purpose. Those recordings may be provided to you when desired if recorded and available.

6 Financials and Payment Terms

- Cloud charges i.e. Annual Hosting and Maintenance Charges are due in the beginning of the year and must be paid in full before the expiry of the due date.
- If hosted service is discontinued or renewal is not processed, data shall be available for download for up to 30 days. After that period, automatically software access is revoked if the renewal does not take place. Easylib support staff does not have authority to provide support on an expired account or extend it.
- Slight changes to annual pricing may be done based on inflation and US Dollar to INR Conversion Rate.
- Unless otherwise mentioned in all quotations, GST charges of 18% apply. Easylib service subject to Bangalore jurisdiction. Quotations are valid for a maximum of 30 days.
- All bills generated by Easylib Software Pvt. Ltd. shall have GST component. The clients seeking GST input credit must mention their GST number in the purchase order.
- Easylib GST: 29AAACI4648D1ZM and PAN No : AAACI4648D
- When TDS is deducted, kindly send intimation or Traces acknowledgement

This MoU is valid until terminated by either client or Easylib.

- Inform the college when students get selected for an internship.
- Provide an additional 10% discount on all Internshala trainings to students of the college.
- Provide College with Internshala logo and brand name to be used in College's communications (internal or external) and on its website to recognize Internshala as the internship and training partner and any other purpose limited to the scope of the agreement.

Responsibilities of College:

- Recognize Internshala as the internship and training partner in all internal and external communications including on its website and in admission/media brochures.
- Send a communication to all the students and faculties regarding the association and direct/encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Internshala for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Internshala every month on the college's notice board.
- Authorize Internshala to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Internshala platform only for the purpose limited to the scope of the agreement.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from 18-07-2019 and the initial tenure of the agreement is 1 (one) year. Upon completion of the tenure, the agreement can be renewed for another 1 year and so on with mutual consent of both parties.

Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Indemnity

The college understands and agrees that all the information provided on Internshala related to internships and trainings is provided on as is basis. It further agrees that while Internshala makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Internshala platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Internshala acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Internshala's control, Internshala does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:

Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will inure to the benefit of the grantor.

Confidentiality:

Internshala and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "CI" or "Confidential Information"), then the terms of this section will apply. CI includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patent, copyright, trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's CI. Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third party (except as required by law or to such Party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's CI. Each Party will take reasonable precautions to protect the confidentiality of the other Party's CI that are at least as stringent as it takes to protect its own CI.

Force Majeure:

Except for any payment obligations, neither Party will be liable to the other for failure to fulfill obligations hereunder if such failure is due to causes beyond its control, including, without limitation, acts of God, earthquake, fire, flood, embargo, catastrophe, sabotage, utility or transmission failures, governmental prohibitions or regulations, national emergencies, insurrections, riots or wars, strikes, work stoppages or other labor difficulties ("Force Majeure Event"). The time for any performance required hereunder will be extended by the delay incurred as a result of such Force Majeure Event.

Disputes:

The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives.
