We Make Technology Work For You

To
Rahul Kumar

Date : Jan 28, 2023

This letter is to confirm that **Mr. Rahul Kumar** has successfully completed the internship with **Alpha Labs Tech PVT LTD** in the field of HR recruitment.

The Internship took place from **27/12/2022 to 26/01/2023**.

During the internship, he was responsible for the following tasks:

- Assisting in the recruitment process by screening resumes and conducting initial interviews
- Helping to design and implement recruitment strategies
- Supporting the HR team with administrative tasks
- Participating in the selection process for new hires

He performed the duties to the satisfaction of the company and showed a strong understanding of the recruitment process. He communicated effectively with candidates and provided valuable input during the selection process. He also had good organizational skills and attention to detail.

We would like to recommend him for future employment in the field of HR recruitment. We believe that he has the skills and potential to make a valuable contribution to any organization.

Helping Start-ups Grow

Date 6th April 2023

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Balasubramanian PG, Registration Number – P18DM21M0009 of the year 2021-23 Course of, MBA, Business analytics and Finance program of Bengaluru City University successfully completed his internship at our organization from 6th Jan to 6th April 2023.

He was diligent at his work, grasped nuances of Finance and Analytics function very fast and was willing to operate on a steep learning curve to deliver his Internship Objectives. He went beyond the course requirement of his internship and also assisted us in some of the live projects.

He performed the following tasks while working with us.

FINANCE

1. Preparation of Industry White papers and concept notes
2. Preparation of client ready pitch decks and business plans
3. Preparation of Financial statements and competitive analysis
4. Designed and implemented Business intelligence in financial reporting and dashboarding
5. Designed mind-maps and organizational activity timeline to streamline operations

SALES&MARKETING

1. Content collation for website and co-ordination with agency for Go-LIVE4
2. Designing and executing Marketing Automation campaigns leveraging tools like Sales Navigator, SNOV
3. Bringing structure to existing CFO customer database using the MEDDIC framework.

He exhibits the following competencies:

1. Quick learning and agility
2. Punctuality
3. Comfort with tech stacks outlined above
4. Goes beyond the role assigned

We believe that he will prove to be an asset to any organization that wishes to hire him in future and wish him all the best for his future endeavors.
